We know that no annual will ever be published that doesn't produce complaints as well as compliments. We can only say that if anyone had any idea how much work it really is they wouldn't say half so much. We hope that through our efforts as staff members we have compiled a book that pleases its buyers and gives a good record of the memories of 1972!

'THE 1972 SENIOR CLASS'

The Senior Class of this year has come to know all the things which go along with being a senior, such as getting class rings, senior pictures, ordering invitations, buying our last annuals, going to or participating in our last ballgames, etc. We've had a lot of fun, even though each "last" was rather sad. We only hope we will be remembered and missed in future years.

Our officers for this year are pictured above. They are:

A BRIEF HISTORY OF THE FOREMAN ALLIGATOR

The name of "The Alligator" of FHS dates back as early as 1918, according to records of the Foreman Sun. It was about the year 1912, or later, that Mr. Frank Horner, who owned Horner's Drug Store at that time, came into possession of a baby alligator, however, no one seems to remember for what occasion. It was about 10" long and had skin similar to human skin. It was kept in a fish basin in the show window of the Drug Store where it was fed ice cream, candy, etc. In time it was put in the gin pool belonging to The Temple Cotton Oil Company where it grew to be a mature reptile about 10 or 12 feet long. It had a shelter dug in the pool where it hibernated in the winter, but in the summer it was often seen on the bank of the pool basking in the sun. Once the alligator ventured to leave the pool and came up as near town as "Shorty's Cafe" (later Miliam's), when some of the citizens roped it and led it back to the pool. This increased the popularity of the alligator and it became the mascot of FHS. Having dug a tunnel the length of a few hundred yards south of the gin pool to a pasture area, resulting in the drainage of the gin pool, the alligator was sold in about 1926 or 1927 to a sawmill owner at Bokhoma, Oklahoma, who put it in his mill pond. It was learned later in Foreman that someone had killed the alligator.

We give many thanks to Mrs. Cecil Callan for giving us this information.

HIGH BAND

Where's everybody going?

Mr. Sorensen! We aren't Bank Robbers!

The band has been an enormous part of this year's spirit. Clad in their black and maroon uniforms, they keep things lively at our football games.

Under the leadership of Mr. Sorenson, the band has made a fine showing in parades. They entertained the students at several assemblies and gave an excellent Christmas Program. The band plays for everything except final examinations!

As the center of every pep meeting and parade, this noisy group follows the football team on special trips, and turns corners of the campus into jam sessions!

Only you can ... Pre-vent fires!

Whistle while you work!

Oh No! Not another Pile!

Yes, it's me ... Cross my heart!

What you see ... Is what you get!!

Caught us again!!!

I just can't believe it's a girdle!

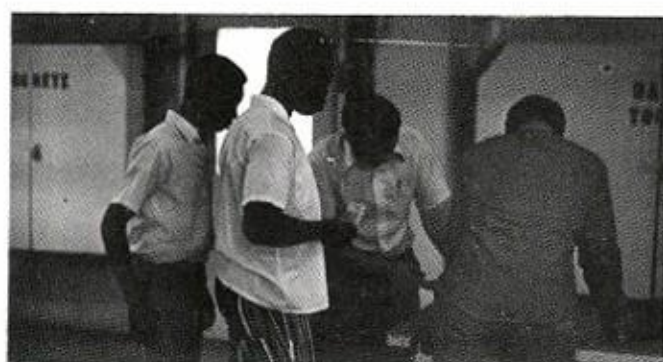

Come on baby, light my fire!

Everything is ... Beautiful; In its own way!

F.H.A. Installation

The best things in life, are FREAKY!!!

Who's that blonde, with Larry?!

My teeth itch!!

Santa Claus won't bring you nothing!

**Don't let summer vacation
begin in your house without
a teen age telephone**

Sure you can work out a traffic system with just one telephone. Or at least you can try. But a separate teen telephone doesn't cost very much. A few baby sitting jobs will pay for it. Their own phone is great for the teens and a welcome relief for their parents. You'll wonder why you didn't O.K. it earlier.
